

Finding Costs of Vision Care Expensive?

Here is an alternative that will give you huge savings on glasses, contacts and even sunglasses.

How?

After you go to your regular eye doctor and determine your prescription and health of your eyes. Try www.clearlycontacts.ca

Can I still put them through my benefit plan?

YES! As long as they are prescription you can send them in for reimbursement.

How will I know what they look like?

There are two ways. Once you click on the glasses you like, there is a magnifying glass that will show you every detail of the product you are looking at. OR you can upload a picture of yourself and try some on virtually!

Happy Shopping!
